Safety Policies

Fire Drills

Fire drills are conducted monthly and documented records are kept on file in the center. Fire drill evacuation plans are posted in each classroom.

Emergency Evacuation - Long Term

1. The center will be fully evacuated upon the sounding of the alarm according to normal evacuation procedures, at this point all children and staff will be accounted for.
2. All staff, children and parents will then proceed to 606 Pawling Avenue, Troy, NY 12180
3. Once inside, everyone will be accounted for by the Executive Director or Designee who will then notify all parents by phone that the center is closed and their child will have to be picked up immediately at PAUM at 520 Pawling Ave, Troy, NY 12180.
4. The evacuation will be considered complete when all children have been released to their parent.

Emergency Shelter-in-Place

Shelter-in-place is a response to an emergency that creates a situation in which it is safer to remain in the building rather than evacuate. Generally, shelter-in-place means simply staying indoors. In some situations, sheltering in place includes additional precautions like locking all doors, closing the windows shades, remaining in a room away from large windows or turning off heat and air conditioning system. Most situations calling for sheltering in place are in response to events that have a relatively short duration of hours, not days or weeks. TWO shelter-in-place drills must be performed every session. Parents will be notified in advance of drills taking place.

DSS Absence Payments

If child(ren) miss(es) 3 days or more in a row you MUST have a doctor's excuse or you will be responsible for payment for time missed. This includes days off during break weeks - take the week off and you have to pay the going rate for the week if your child(ren) are signed up for care during that week.

You are also only allowed 4 absences per month without a doctor's excuse. Anything over 4 and you are responsible for that payment as well.

I understand I will be held personally responsible for child care payments not covered by my DSS contract and failure to pay will result in termination of child care services.
